

COMMONWEALTH OF PENNSYLVANIA  
GOVERNOR'S OFFICE  
HARRISBURG

THE GOVERNOR

August 5, 2009

To the Honorable Senate of the Commonwealth of Pennsylvania:

I have the duty to inform you that I have this day signed Senate Bill 850, Printer's Number 953 entitled, " An Act to provide from the General Fund for the expenses of the Executive, Legislative and Judicial Departments of the Commonwealth, the public debt and the public schools for the fiscal year July 1, 2009, to June 30, 2010, for certain institutions and organizations, and for the payment of bills incurred and remaining unpaid at the close of the fiscal year ending June 30, 2009; to provide appropriations from the State Lottery Fund, the Energy Conservation and Assistance Fund, the Hazardous Material Response Fund, The State Stores Fund, the Milk Marketing Fund, the Home Investment Trust Fund, the Emergency Medical Services Operating Fund, the Tuition Payment Fund, the Banking Department Fund, the Firearm Records Check Fund, the Ben Franklin Technology Development Authority Fund and the Tobacco Settlement Fund to the Executive Department; to provide appropriations from the Judicial Computer System Augmentation Account to the Judicial Department for the fiscal year July 1, 2009, to June 30, 2010; to provide appropriations from the Motor License Fund for the fiscal year July 1, 2009, to June 30, 2010, for the proper operation of the several departments of the Commonwealth and the Pennsylvania State Police authorized to spend Motor License Fund moneys; to provide for the appropriation of Federal funds to the Executive Department of the Commonwealth and for the payment of bills remaining unpaid at the close of the fiscal year ending June 30, 2009; to provide for the additional appropriation of Federal and State funds from the General Fund, from the State Lottery Fund and from the Tobacco Settlement Fund for the Executive Department of the Commonwealth for the fiscal year July 1, 2008 to June 30, 2009, and for the payment of bills incurred and remaining unpaid at the close of the fiscal year ending June 30, 2008; and making interfund transfers for the fiscal year July 1, 2008, to June 30, 2009.", except as to the items contained in this letter:

I believe the bill presented to me for signature today is technically flawed and cannot be viewed as a constitutionally balanced budget enacted with the best interests of the citizens of Pennsylvania in mind; therefore, I am exercising my constitutional right to line item veto all but those appropriations that will allow state employees to be paid and those serving immediate basic health and safety purposes.

In those line item appropriations where I have deleted the entire line, I am listing the line item and amount below. In those line item appropriations where I have inserted a new, lesser amount, I am vetoing the amount of the appropriation removed.

Where I have not eliminated or reduced an appropriation, this does not mean that I agree with the funding levels for these line items. In many cases the amounts presented in Senate Bill 850 are insufficient to meet the responsibilities of state government. However, Commonwealth employees who have worked these weeks without pay deserve to be compensated and the basic framework of government must be in place to protect the health and safety of our citizens.

Senate Bill 850 is not a constitutionally balanced budget. Senate Bill 850, when combined with other General Fund (non-preferred) appropriations included in separate appropriation bills, is more than \$1.7 billion out of balance with current revenue estimates. The General Assembly has not sent me any additional pieces of legislation that would provide for additional General Fund revenues to support the total spending level contained in this bill. While the bill does include a number of inter-fund transfers that enhance general fund revenues, I have concerns with some of the proposals. For example, at the time Senate Bill 850 was introduced, there was a possibility that \$174,000,000 would be available in the Oil and Gas Lease Fund for transfer to the General Fund. At this time there is not sufficient revenue in the fund to effectuate this transfer in its entirety.

There are also technical problems with the bill that cause me to reduce or eliminate certain appropriations.

In addition, the appropriations in Senate Bill 850 do not reflect the mandatory cost increases associated with updated caseload projections for key health care programs. Also, the bill does not include many of the appropriations required for agencies to utilize federal stimulus programs under the American Recovery and Reinvestment Act of 2009.

But most of all Senate Bill 850 is not a legitimate budget because it robs the Commonwealth and its citizens of future opportunities. To continue to grow and progress, as Pennsylvania has done over the last six and a half years, we must also continue to invest in our assets. And our greatest asset is, in fact, our young people. Thanks to our work with the members of the legislature, Pennsylvania has made smart and substantial investments in

education that have paid tremendous dividends. Today nearly 30% more of our children are proficient in reading and math compared to seven years ago. Today, Pennsylvania is one of only nine states that made significant progress in elementary school reading and math on the national assessment. And, today we can all exalt in our recent PSSA scores, which for the first time in our state's history show improvement in every grade level, in both reading and math. If our state is going to remain viable and competitive in the new high-technology global economy we must continue to invest in our children. I cannot and will not accept a budget that fails to do so.

As I have said, Senate Bill 850 is a deeply flawed piece of legislation that I cannot accept as the final Commonwealth budget for fiscal year 2009-2010. It is simply a statutory tool to allow me to pay our employees and protect some citizens from immediate risks to their health and safety. I am returning Senate Bill 850 with the following full and partial line item vetoes with that very purpose in mind.
