ANALYSIS: SB 750 directs the Department of General Services (DGS) to transfer authority of the Lieutenant Governor's mansion to DMVA through a memorandum of understanding within twelve months of the effective date of the act.

Upon transfer, the mansion shall be used to support Pennsylvania's veteran programs and the National Guard, including current and survivor families. DGS shall maintain the mansion prior to transfer.

The act shall take effect in 30 days.

FISCAL IMPACT: The annual cost to maintain the Lieutenant Governor's mansion ranges from \$100,000 when minimally staffed to \$400,000 when fully staffed. Currently, the property is operating on minimal staff as the Lieutenant Governor does not reside in the mansion.
