

**Status of Appropriations
General Fund
February 29, 2016**

During the Period from July 1, 2015 to March 29, 2016, the Commonwealth of Pennsylvania did not have a fully enacted budget. As a result, the February 2016 Status of Appropriations (SOA) could not be issued until the budget was fully enacted and all adjustments for the period could be made. Only certain payments could be made during the budgetary impasse. While revenues continued to be collected, payments could only be made for: a) program payments mandated by statute or court rulings, b) appropriations or authorizations not subject to legislative enactment, c) prior year payment authorizations, d) continuing appropriations, or e) non-budgeted symbols.

Adjustments were made during the period of July through April due to the lateness of the budget. All adjustments have been made and will be correctly reflected in the SOA as of April 2016.

Therefore, readers must be aware that this SOA does not reflect typical monthly financial activity for the Commonwealth. Readers should exercise caution when using this SOA for comparative or analytical purposes.
